

## TRAFICKING PROBLEM IN THE COMPLEX

To avoid inconvenience to fellow officers in the complex, it is requested that :-

- Do not park your cars in an obstructive manner on the road and around corners.
- Ask your drivers not to wait for you at the entrance of the block, particularly in the morning. It causes great inconvenience to officers in taking out their vehicles. Drivers can wait for you little away and pick you up when you come down.
- Park 2-Wheelers in the niche earmarked for 2-Wheelers. Please don't park 2-Wheelers in the cars slots.

Please cooperate.
